How to get to Budva

Travel Informations for Budva How to get to Budva in Montenegro ?

The two international airports in Montenegro – Podgorica and Tivat – meet basic aviation requirements and have reserve runway and landing strip capacity.

From a tourism point of view, though, there are considerable shortcomings at the terminals. They are in need of basic modernization and extension to cope with demand.

Arriving to Budva by Airplanes

Air traffic through international airlines.

Two international airports are very close to Ulcinj. Tivat Airport (40 km away) and Podgorica Airport (80 km away) and ilipi Airport near Dubrovnik in Croatia (120 km away), might be utilized as well and connecting Ulcinj with domestic and international tourist destinations.

In certain occasions, the Airport Tirana in Albania is usefull for international flight from US, China, Spain, Germany and UK. Border crossing from and to Albania is professional and fast.

Montenegro is an air destination with very frequent charter flights during the tourist season.

The airline companies “Montenegro Airlines” and “JAT” manage scheduled flights, while a couple of other companies organize flight to Podgorica, Tivat and Dubrovnik during the tourist season from May to the end of October.
